Business Services for Subscribers

Appreciation must be expressed for the number and the quality of the advertisements in this issue. Without the revenue derived from this source, the price of The Directory to its subscribers would be prohibitive. The advertisers in the front and rear sections have been carefully selected and meticulously scrutinized to assure that their statements may be accepted with confidence.

To be of greater service, the comprehensive *Classified Buyers Guide* contains 601 different product and service classifications. This enables one to find almost any product or service needed by church, school or institution as indexed in the thousands of source listings which follow.

Whenever you want to know "who makes it," "who supplies it," or "who can do it" — consult this *Buyers Guide* presented below for your greater convenience. Subscribers who make it a practice to study the *Classified Index* and the advertisements to which it is the key, find it quickly solves their problems of supply, equipment and maintenance.

There are firms who supply or seek to sell their products and services to the Catholic Church, who are not acceptable as advertisers in these pages. Hence, the advertisers listed below can be consulted and utilized without hesitation and with confidence.

Your mention of The Official Catholic Directory when responding to advertisements will be helpful to you as well as to the advertisers and the publishers.

We proudly present this extensive and comprehensive *Classified Buyers Guide* as an aid and tool for you Administrators.

THOMAS H. WALSH, *Business Manager*

What in the World is going on?

1977 is the fourth anniversary of the Supreme Court decision on abortion. Do your parishioners know how many thousands of innocent babies have been legally murdered since that ruling took effect? Do they know what is being done to reverse this brutal practice and how they can help?

How about the plight of parochial schools? Do they know that the Catholic educational system in this country may not survive the twentieth century? If Catholics, who represent around 25% of this country's population, had the facts they could favorably influence the outcome of many important issues.

The Register will keep your parish informed and up-to-date. Why not order some copies today?

The MAAS-ROWE *Chronobell*

The **SOUND** of bells for **LESS** than the cost of a single bell!

Not a tape recording, the *Chronobell* produces the bell sound by striking **tuned metal bars.** The beautiful tone is amplified millions of times to the full sonority of great cast bells.

Because the *Chronobell* does **not** depend on tape cartridges it can ring the bells you need **when you need them** without the need for changing tapes. Of course, a cartridge Carillon tape player can be added whenever automatic hymn playing is desired.

A typical *Chronobell* schedule would include the following **clock controlled** traditional bell rings. (Model CH4W)

- **Sunday Mass Calls**
- **Weekday Mass Calls**
- **Saturday Mass Calls**
- **Daily Angelus**
- **Daily Hour Strike with Westminister**
- **Weekday Hymn Player (Optional)**
- **Sunday Hymn Player (Optional)**
- **Evening Devotion on one Day of the Week Only**
- **Daily De Profundis**

Typical Manual controls permit ringing the following bell sequences by simply pressing a button. (For convenience a remote control station is often located in the Sacristy.)

- **Wedding Peal** • **Swinging Bell** • **Funeral Toll**
- **Angelus** • **Hymn Player (Optional)**

Several other standard model *Chronobells* are available, or a customized system can be designed to provide the specific number and type of bell rings you may want.

Cartridge Carillon

UTILIZES RECORDED TAPE CARTRIDGES

When added to any *Chronobell*, the Cartridge Carillon will **automatically** play prerecorded hymns at times controlled by the *Chronobell* program clock. It is also available as a separate system for those who desire mostly hymn playing with only occasional service bells. These can be provided for by changing tape cartridges. A large library of standard cartridges is available, or custom recordings will be made for your particular requirements.

OTHER PRODUCTS

CAST BELLS: Just because our *Chronobell* costs less than cast bells doesn't mean we don't offer the real thing too! Our genuine bronze bells are cast to your order in Holland and can include the decoration or inscription you specify. Electric ringers and all the usual accessories are provided to suit your requirements.

CHIMES AND CARILLONS: Maas-Rowe builds amplified *Carillons* up to 246 bells and can connect the instrument to play from most pipe or electronic organs. If you are planning a new organ, consider having it prepared for the future addition of a carillon. No automatic system can equal a live performance by your own organist.

DECORATIVE BELL SHELLS: These aluminum "bells" can enhance the appearance of your tower when cast bells are not practical for cost or structural reasons.

OUR "CARILLON CONSULTANTS" are anxious to meet you and provide the information you need to make a **sound** decision. Write or call collect today!

Aural and visual messages...

your sanctuary depends on both.

Sound systems are an increasingly important part of a church's total sensory environment, especially with the inclusion of musical sermons, guitar masses and other forms of religious expression.

Unfortunately, half of the meaning can be lost when an inadequate sound system is used to communicate the warm, intimate message that is essential to a congregation's total experience and involvement.

Parishioners may receive the visual communication, but could be completely missing an eloquent and dynamic verbal message in the worship service.

If you're concerned about your complete message, call us. We've got the experience and the technology to solve your church's sound problem. For further information, write to: Altec Sound Products Division, Commercial Sales Dept.

A school's carpeting should be more than "clean"....

PROpital-90™ reduces bacteria count 99+% while eliminating static electricity shocks.

Two problems in carpet care go beyond simple cleaning. First, you want to reduce bacteria levels in areas where students are down on the floor playing and napping. PROpital-90, used once every 30 days, gives you a 99+% reduction in both gram-positive and gram-negative bacteria.[1]

At the same time, you inhibit the growth of bacteria and infectious fungi in the presence of moisture.

In addition, PROpital-90 stops annoying static shock when used routinely by reducing electrostatic energy buildup. This reduced buildup also helps release soil from the carpet when vacuuming . . . making clean-up easier, faster and more thorough.

PROpital-90 is a low-cost, ready-to-use liquid which will not affect colorfastness. Use PROpital-90 to sanitize your floors . . . and for carpet cleaning, use Hillyard's Carpetsheen®. It is a combination for all of your carpet care needs.

NEW KINESTHETIC PLAY FORM

Although few static art forms meet American's minimal requirements for play-exercise values, American long has recognized the need to provide pre-schoolers with ideal kinesthetic experiences. Thus, a chance meeting with a talented sculptor-educator proved most opportune; and we are happy to introduce the first of a series of beautifully crafted Play Forms sculptured in fiberglass.

Since touch is an extension of a child's vision, as the children climb and slide over American's friendly Turtle, they grasp the shape of reality by running their hands over the Turtle's smooth shell and smooth, precisely situated concavities. 24-ounce fiberglass rovings, polyesters and Gel-Coat are sculptured by hand lay-up, are ruggedly reinforced, with tensile strengths to 35,000 lbs. 8-feet long, 5′4″ wide, 4′8″ high with molded-in tangerine color. Great fun, lifetime durability.

Friendly Slide-A-Back Turtle, *Patented*, fully assembled. Weight, about 175 pounds. . . **$576.40**

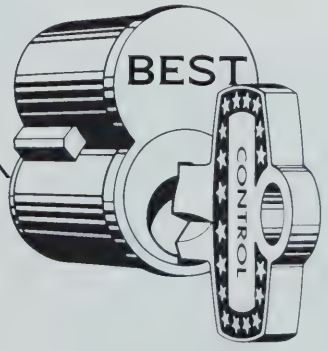
BEST LOCK SECURITY SYSTEMS SAVE YOU MONEY

Personal Master Key Security Systems.



Parish Concept
(all locks—one system)

Original Interchangeable Core

The heart of every BEST lock is a standard key removable core which is interchangeable throughout the entire line. This standardization permits BEST locks of any type, size or style to be masterkeyed into one system which can expand to include future buildings. To change a combination (if a key is lost, etc.), a single control key removes any core within that particular system, and inserts a new core with a new combination. The unique feature lets you "change" any lock in 10 seconds, with the greatest ease and economy.

This system is now in: Notre Dame, St. Vincent's Hospital, University of Quebec, St. Bonaventure, Georgetown University, and Georgetown Medical Center.

BEST customizes a masterkeyed system specifically for each installation, and the different masterkeying arrangements make for an easier operation and safer, more secure locking system. This particular system eliminates rings of keys for personnel. The diagram above illustrates just one of many possible masterkey arrangements.

Self-Service and Maintenance

While BEST locks offer protection of property, the system itself should be efficiently maintained. It is a complete self-service system. Locks may be changed within ten seconds. A recombinating kit is available and can be kept in desk drawers. Interchangeable cores let you replace only the cores instead of the whole lock.

BEST locks can be easily self-serviced and maintained by you at your convenience.

UNPARALLELED ENSEMBLE

Baldwin's new 640 organ is practical—tonally designed for the variety in today's service playing.

The 640 represents a new generation of organ technical design. It unites the richness of traditional organ voices with the excitement of big organ ensemble in a medium-priced console.

Many 640 standard features are unmatched by organs at twice the price:

- Comprehensive stop list.
- Advanced combination action for fast, accurate transitions.
- Exclusive tone-generation system that never needs tuning.
- Baldwin transposer for automatically changing to all 12 keys.
- Tracker touch that simulates the feel of a mechanical action.
- Unique sound distribution system for maximum installation versatility.

The Baldwin 640 organ comes with traditional console design in strict accordance with the specifications of the American Guild of Organists. And its standard controls are played according to "pipe organ rules." So your organist requires no special lessons.

For complete details, write Baldwin Piano & Organ Company, P.O. Box 2525, Dept. CD-377, Cincinnati, Ohio 45202.

"We've been Cemeterians for over 65 years so we've been able to appreciate the problems and then satisfy the needs of Catholic cemeteries in 33 Dioceses and Archdioceses."

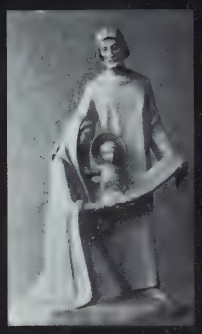
ACME MARBLE & GRANITE CO., INC.

It is a pleasure to express my gratification with your work for the Archdiocese of New Orleans which has been very extensive and completely satisfactory. Your work has included the erection of over 30 major mausolea in this Archdiocese and in every instance the project has been completed according to spcifications and the highest degree of attention to details.....

Philip M. Hannan
Archbishop of New Orleans

...in less than three months you surpassed your original sales goal.... All of your efforts are indeed a wonderful support to our people and I strongly encourage and support the fine service which you are providing to the faithful of the Diocese of Syracuse.

David F. Cunningham
Bishop of Syracuse



...We made inquiries in several dioceses, where Acme has built mausoleums, to ascertain whether the bishops in those dioceses were satisfied with Acme's work. All recommended Acme highly.... Acme's program was carried out most satisfactorily, beginning with the feasibility study, on through the sales campaign, the planning and construction phases. Noteworthy is the fact that there was no "high pressure" sales pitch.

What is NAESP?

The name is National Association of Elementary School Principals. We serve all the nation's elementary and middle school principals: parochial, public, private and independent.

Approximately 4,000 of our 26,000 members are affiliated with nonpublic schools. We have discovered that what principals have in common is more important than their differences.

However, the differences are not ignored in policy-making, program, services or publications. The NAESP Committee on Concerns of Nonpublic School Principals meets regularly to advise NAESP and nonpublic school members serve on all other NAESP committees.

Please feel free to contact any committee member with your inquiries, concerns, or problems.

Ruth Carter Stapleton

IN HER NEW BOOK

EXPERIENCING INNER HEALING

"The stories describing inner healing in Ruth Stapleton's new book THE GIFT OF INNER HEALING are the most moving and instructive examples on this subject I have ever seen. Ruth has a great gift for praying with people who suffer from emotional problems; the power of that gift comes through in her writing." — Francis S. MacNutt, O.P.

Ruth Carter Stapleton, sister of Jimmy Carter, is in constant demand as a speaker on inner healing. She has extensive speaking engagements throughout the United States, plus teaching and healing missions in numerous countries including England, Australia, Israel and Japan.

INNER HEALING — Three hours of Ruth Carter Stapleton - live.

WORD Books, publisher
Waco, Texas

In Mrs. Stapleton's national bestseller **THE GIFT OF INNER HEALING** she gave an intimate, penetrating, and powerful account of how Christ can heal the inner person of the past and liberate us to live abundantly. Hundreds of thousands have learned about this process of emotional rebuilding that can be experienced under the guidance of the Holy Spirit.

Now, in her new book, **EXPERIENCING INNER HEALING,** Ruth Stapleton describes the various *"methods of replacing negative memories with God-inspired reconstruction of those memories."*

Here, together with the scriptural foundation on which they are based and case histories which bring them to life are the means for experiencing inner healing:

- *through the healing power of love, faith, surrender, forgiveness, confession, self-acceptance, release, purpose, serving, listening, and one's true identity.*

EXPERIENCING INNER HEALING not only describes the process but also details the ways in which

- *"The lonely can find release from that imprisonment.*
- *The depressed can find light to dispel impenetrable darkness.*
- *Those who feel unloved and rejected can find acceptance, plus the ability to give and receive this crowning emotion of love."*

NO! IT ISN'T OFFSET!

Nor is it one of those costly 'copier/duplicator' systems.

If you believed that only plate-printing and copying machines could possibly office-produce facsimile work like this you are in for a stunning (*but pleasant*) surprise.

Modern Graphic Arts technology has brought about amazing changes in the stencil printing process. Plastic stencil-masters are imaged by electronics directly from original copy — in minutes — and run off on the Gestetner, a high-speed silk-screen duplicator designed and constructed like a modern printing press. Its dual cylinders are automatically inked on the outside surfaces with printer's style paste ink and roller-distributed exactly as required by the individual job.

Other automatic features eliminate the need of any skill or training for operation — even for such subjects as ruled forms, photos, halftones, stationery, entire advertising layouts, and illustrated catalog pages — in color, too! With a Gestetner it becomes economical to produce as few as ten copies or as many and more than ten thousand.

If you can afford the old fashioned mimeo you can afford a Gestetner.

Dominican Paschal Candle

Traditional Easter Candle

Celebrating 75 YEARS 1897–1972

Paschal candles by Cathedral: specialists in beeswax candles since 1897.

CATHEDRAL'S finest craftsmanship is expressed in the rich symbolism of its Paschal candles of pure, natural beeswax. Observing exact liturgical requirements, plain or beautifully decorated with raised wax and gold leaf ornaments, they glow in steadfast reverence for the rituals and antiquity of the Church. Markings of Alpha, Omega and year date are outlined to be incised for the Easter Vigil Service on our traditional Paschal candle.

Our Dominican style candle was designed by Sister Mary Pia, a Dominican nun.

TAFT SYSTEMS

The Development Pro's Competitive Edge

Base Your Development Programs on Crucial Facts about Funding Sources

Every Ivy League college development department depends upon Taft research systems for critical fund-raising research. Seven of the Big Ten college development departments subscribe as well. The largest foundation in America subscribes. So do hundreds of major national associations, hospitals, scientific research centers, religious organizations, and other groups. Even governmental agencies use Taft to watch the pace of philanthropic events.

Why? Because professionals know the key to fund raising success is sophisticated research — knowing where to look, who to talk to, and how to strategize your approach. In the opinion of all of these professionals, Taft systems are unrivaled in value This is why the new publication, *Grants*, declares: "... while other similar services have entered the field, floundered and died, Taft seems to roll merrily along."

Get Your Fund-Raising Research Under Control

Research is the heart of your fund-raising operation. Yet, if you stop to think about it, you'll probably realize it's the part that receives the least attention.

Even if you already maintain donor lists and prospect files, and even if you have a basic library of manuals and books, you are a competitive step behind without a Taft system.

What is more, Taft system users report that they save literally thousands of dollars in time and travel by having the comprehensive, fingertip advantage of Taft systems. Time and money are the development director's most precious commodities. Don't underestimate this in considering Taft systems. Taft's information systems are designed to provide the crucial facts you must have.

The *Foundation Reporter* contains carefully researched, detailed descriptions of more than 390 of the country's top private foundations. These are the key foundations for any organization seeking large foundation support. Each summary contained in the *Reporter* gives the very information you would have to dig out, at great expense, in developing strategies for successful solicitations.

Trustees of Wealth provides vital information about the backgrounds, interests, and affiliations of more than 5,000 individuals with key philanthropic decision-making powers. These are the men and women who hold the purse-strings of giving — the men and women you should be looking to for fund-raising leadership, new strength for your board, and enter into the vast and complicated world of small foundations and personal philanthropy.

The *News Monitor of Philanthropy* keeps subscribers in touch with what's happening in philanthropy. Each monthly issue contains new developments in the operations of the nation's largest foundations; profiles of some of the most influential individual philanthropists in the country; helpful hints about such topics as proposal writing, prospect research, communications programs, tax concerns, and more. Each issue contains extensive lists of recently made grants — an invaluable source of insights into the giving trends of foundations and other funding resources.

Regardless of what type of fund raising you currently pursue, Taft's information systems can help you do a better job, with less work, at a low cost.

Select the System Configuration That Best Suits Your Needs

Taft offers three separate information systems consisting of the *Foundation Reporter* and/or *Trustees of Wealth*, and the *News Monitor of Philanthropy*. Select the system best suited to your current information needs.

System II

For the development office interested only in information about the largest foundations in the country. As a System II subscriber you receive two editions of the *Foundation Reporter*, twelve issues of the *News Monitor of Philanthropy*, plus the exclusive "Hot Line" news service.

TAFT INFORMATION AND ORGANIZATIONAL DEVELOPMENT SERVICES FOR NONPROFIT PROFESSIONALS

OUR WORLD IS SHRINKING

SO ARE OUR CEMETERIES

The future of our cemeteries lies in space.

Its efficient use is one of the most critical problems we face.

High land costs, the need to conserve land resources, zoning restrictions that block expansion, and ever-increasing maintenance costs are elements of the problem.

As available space in existing facilities is utilized, our cemeteries are in fact shrinking.

That's why we think every cemetery should consider the advantages of a mausoleum program. We believe the only way to grow is up, with the benefits of multiple above-ground burial, through an income-producing community service mausoleum.

Our TOTAL RESPONSIBILITY CONCEPT program will provide a facility that will enhance your cemetery, offer substantial savings in maintenance costs, and allow you to significantly expand your physical plant without additional land acquisition.

It will add years of life to your cemetery, with no capital investment required from you.

Mausoleums.

Why not look at them as multiple levels of land.

They're our answer to the space problem.

Sixty years ago a Roman Catholic priest by the name of John Francis Noll had a dream: "to serve the Church," by keeping all her people informed of the Faith. His first step — to publish and print a basic, instructional newspaper with factual information about the Catholic Faith.

Today, that paper — Our Sunday Visitor — is still alive and growing. As is Father Noll's dream. For OSV is now more than the nation's most popular Catholic weekly. Our products and services have grown to include:

Specialized periodicals like THE PRIEST, most widely read magazine for the clergy; THE POPE SPEAKS, full text of papal statements on important issues; EL VISITANTE DOMINICAL, the nation's only Spanish Catholic weekly; the LIVING LIGHT, official publication of the National Center for Religious Education — CCD; plus many more.

Bestselling religious books that include THE TEACHING OF CHRIST: An Adult Catechism; the annual CATHOLIC ALMANAC; and THE WAY, CATHOLIC EDITION paraphrase of the Bible.

Religious education materials. Most recent additions are LIVING FAITH, a catechetical program for grades 1-8; VISIONS, an in-class magazine for Catholic 6-8th graders; and a complete audio-visual development department.

Offertory envelopes. We supply over 4,500 Catholic parishes. Specialized services such as monthly mailing and computerized accounting are also available.

Printing facilities. Many other publishers take advantage of OSV's quality, yet economical printing. To name only a few: Paulist Press, Critic, U.S. Catholic, Logos, Word, U.S.C.C., Charismatic Renewal, and St. Anthony Messenger.

But in one way, Our Sunday Visitor hasn't changed since 1912. We're still dedicated to one man's ideal — "to serve the Church and her people." With your support, we will continue to do so.

Rambusch and three generations of commitment.

It started with painted murals at the turn of the Century...it culminated with a sophisticated television lighting system for the Eucharistic Congress.

Over the years, SS. Peter and Paul Cathedral and Rambusch's special relationship has allowed for the full expression of Rambusch's capabilities. All of their unique art and craft studios have had an opportunity to contribute to the magnificence of this Cathedral.

Skilled Rambusch designers and artisans have created with mosaic, stained glass, metal, wood, fabric, paint and lighting. Their involvement spans almost three quarters of a Century, and includes lighting, sanctuary furnishings, murals and mosaics.

And lastly, a comprehensive lighting system that was engineered and fabricated by Rambusch to meet the technological demands of television. Installed for the Eucharistic Congress, it utilizes half the power of the old system and has the capacity to support the extraordinary requirements of television, for those special occasions when it is needed. It is considered by the television networks to be one of the most effective and efficient systems they have encountered.

The relationship between Rambusch and this cathedral is on-going. It has been nurtured by understanding, experience, broad expertise...and a profound commitment to the strength and righteousness of a faith.

Hints and Helps

FOR THOSE WHO USE THE OFFICIAL CATHOLIC DIRECTORY

Each year the editors of *The Official Catholic Directory* seek added ways of serving their subscribers. Although the book may never answer every question, this is the conscientious goal; its format, arrangement and editorial features are directed toward the convenience and needs of the public. Nor does this policy stop with the editorial content. The advertisers are accepted with the user of the *Directory* in mind. It is policy that advertisers are *selected* rather than *solicited.* Each advertiser is screened for business integrity and for the usefulness of the product and/or service offered to the potential customer.

* * *

GENERAL PLAN

For the benefit of the subscriber and a more efficient use of *The Official Catholic Directory* and its helpful cross references, a summary of the Contents and their meaning follows:

1. The Governing Bodies in Vatican City

All the officials, from the Pope through the College of Cardinals. The duties of each of the Sacred Congregations, Offices, and officials; the National Colleges in Rome, together with a chronological table of the Popes.

2. Special listing of the organization and personnel of the National Conference of Catholic Bishops and the United States Catholic Conference

The National Body of Bishops with headquarters in Washington, D.C.

3. The Provinces of the United States

All the archdioceses and dioceses of the United States arranged under the provinces to which they belong. All archbishops and bishops together with appointment and consecration dates.

4. Reports from archdioceses and dioceses of the United States

The most detailed information on the Catholic Church in the United States.

5. Reports on U. S. Possessions and those parts of the world in which American priests and Religious engage in missionary work

This section contains information on *foreign* territories similar to that found in the preceding one concerning the Catholic Church in the United States.

6. General Statistics on Religious Orders of Men and Women

Each Religious Order lists the number of provinces it maintains; the superiors of the provinces; the number of various classes of religious in the province; the number and kind of institutions it serves or maintains; and the dioceses in which its members are working. It is preceded by an exhaustive cross index.

7. A special listing of those societies engaged in missionary work

8. Alphabetical Place List

The cities, towns and villages where there is a church with a resident priest or a Catholic institution, or both, together with the abbreviations of the archdiocese or diocese to which it belongs. A key to these abbreviations follows the alphabetical list of places.

9. List of the Hierarchy of the United States

Alphabetically arranged with their addresses.

10. List of the Hierarchy of the United States

Arranged according to their Seniority.

12. Necrology of the United States Hierarchy and Clergy

All those prelates and priests who have died since the last issue of the *Directory* together with their last address and date of death.

13. A General Summary

A general recapitulation of 63 categories of statistics of each archdiocese and diocese. Arranged geographically according to the Bureau of the Census divisions, the diocesan, state and national totals are presented.

HELPFUL SUGGESTIONS

A Diocese

The format for each archdiocese and diocese is uniform. The Curia under the bishop is listed first, with various diocesan offices. The parishes of the See city follow, after which are listed the parishes in each city alphabetically arranged according to city. With each church are listed the parochial schools, missions, stations, and cemeteries associated with it. (Parochial cemeteries are identified by [CEM]; interparochial or joint cemeteries by [JC].) Following this appear the institutions of the diocese, following closely the order of their presentation in the General Recapitulation. Postal Zip codes are printed following street addresses. After the institutional listings, there are summaries of the Religious Communities of Men and of Women; a list of diocesan cemeteries, if any; a necrology of clergy, and finally a recapitulation of Statistics.

Hierarchy

If the name of a prelate is known, look in the Alphabetical List of the Cardinals, Archbishops, Bishops and Abbots. For information regarding his seniority, consult the Seniority List of Bishops.

Officials

The official Curia appears at the beginning of each archdiocese and diocese.

Places

The cities and towns are arranged in alphabetical order, followed by the abbreviation of the archdiocese or diocese where located. A key to the diocesan abbreviations is found immediately preceding the Alphabetical List of Places.

Statistics

The recapitulation at the end of each archdiocese and diocese gives the number of institutions and the number of people attending them. State and national totals are found on an open-out chart located toward the rear of the *Directory*.

Diocesan Priests

If the priest's name is known, consult the Alphabetical Clergy List. If a number in brackets appears, it denotes a church bearing that number. The numbers are used for the larger cities. If the city or town is known, consult the Alphabetical List of Places. This gives the diocese. The first priest's name in a parish listing is that of the pastor unless otherwise indicated.

Religious Order Priests

Those priests belonging to Religious Orders are listed at the churches and institutions they serve. A list of the Religious Communities of Men active in a diocese, and the churches and institutions at which they are stationed appears at the end of each Diocese. The Index to Religious Orders presents more detailed and comprehensive information concerning the Orders.

Brothers

Immediately following the Statistics on Religious Orders of Priests is found the Orders of Brothers who are independent of Religious Orders of Priests. Those brothers who belong to Religious Orders of Priests are listed with their Order in the section devoted to Religious Orders of Priests.

Sisters

General information concerning Religious Orders of Women is found in the Statistics of Religious Orders section. Here is found the number of sisters, postulants, novices, etc. of each province, the number and kind of institutions they maintain or serve, and dioceses in which they are represented. Particular information is found at the end of each diocesan listing.

PART I

Hierarchy of the Catholic Church

The Hierarchy, as the supreme governing body of the Catholic Church, consists of the Roman Pontiff, the successor of Peter, and the Bishops joined together with him in one apostolic college to provide for the common good of the Church. The Cardinals, now always bishops, serve as the chief counsellors of the Roman Pontiff. The Pope is further assisted by the departments of the Roman Curia. The bishops, of whom some bear the titles of Patriarch and Archbishop, are united with the Roman Pontiff in the governance of the whole Church; the bishops, when assigned to particular Sees, are individually responsible for the teaching, sanctification and governance of their particular Church. Apostolic Vicars and Prefects together with certain Abbots and other Prelates are also joined in this work.

HIS HOLINESS THE POPE

BISHOP OF ROME AND VICAR OF JESUS CHRIST,
SUCCESSOR OF ST. PETER, PRINCE OF THE APOSTLES,
SUPREME PONTIFF OF THE UNIVERSAL CHURCH.
PATRIARCH OF THE WEST, PRIMATE OF ITALY.
ARCHBISHOP AND METROPOLITAN OF THE ROMAN PROVINCE,
SOVEREIGN OF VATICAN CITY.

PAUL VI

GIOVANNI BATTISTA MONTINI

The direct successor of St. Peter was born in Concesio, Diocese of Brescia, Sept. 26, 1897; ordained Priest, May 29, 1920; appointed Substitute of the Secretariat of State, Dec. 1937; named Pro-Secretary of State for Ordinary Affairs, 1952; appointed Archbishop of Milan, Nov. 1, 1954. Created and proclaimed Cardinal, Dec. 15, 1958. Elected Pope, June 21, 1963; crowned, June 30, 1963.

VATICAN CITY

By virtue of the concordat signed on February 11, 1929, and ratified on June 7, 1929, the complete and independent authority of the Pope to rule in his own possessions was recognized by the state. The territorial possessions of the Holy Father are called Vatican City and within its limits the Sovereign Pontiff's authority is recognized as supreme.

The Sovereign of this small state is His Holiness, the Pope.

The government presently is administered by a Pontifical Commission of which His Eminence Jean Cardinal Villot is President.

The Apostolic Nuncio to Italy is Most Rev. Romolo Carboni, Titular Archbishop of Sidone.

THE SACRED COLLEGE OF CARDINALS

The Cardinals, when duly constituted and proclaimed, form the Supreme Council or Senate of the Church. They are advisers of the Supreme Pontiff, and at the death of the Pontiff those under eighty years of age elect his successor.

There are three orders of Cardinals, *Cardinal-Bishops, Cardinal-Priests,* and *Cardinal-Deacons;* but these orders are distinct from those of the Hierarchy. The present Cardinal Priests and Deacons are Archbishops or Bishops. The Sacred College of Cardinals, when complete formerly consisted of 70 members—6 Cardinal Bishops, 50 Cardinal Priests and 14 Cardinal Deacons (Cf. Canon 231§1), but the late Pontiff, Pope John XXIII and the Reigning Pontiff, Pope Paul VI named a number in excess of this total.

The Cardinal Bishops (except the Patriarch-Cardinals of the Oriental Rites), have as Titular Sees the Suburban Sees of Rome, which are: *Porto and Santa Rufina, Albano, Palestrina, Sabina, Frascati, Velletri.* The Cardinal Dean has united to his See the See of *Ostia.* The Cardinal Priests take their title from the "Titular Churches" to which they are appointed: the Cardinal Deacons are appointed to other Churches called "Deaconries." The first Cardinal Bishop is *Dean;* the first Cardinal Priest is *First Priest;* and the first Cardinal Deacon is *First Deacon* of the Sacred College. The Dean has the right of consecrating the new Pope if he is not already a bishop; the First Deacon the right of proclaiming and crowning him. On the death of the Pontiff, the Cardinal *Camerlengo* has the Administration of the affairs of the Holy See.

(The "creation" of a Cardinal sometimes precedes, even by several years, the "publication and proclamation." The Cardinal is then said to be "reserved *in pectore,*" and when proclaimed, he takes the precedence according to date of creation.)

THE SECRETARIAT OF STATE OR PAPAL SECRETARIAT

The Secretariat of State or Papal Secretariat, offers the closest assistance to the Supreme Pontiff both in the care of the universal Church and in dealings with the branches of the Roman Curia.

The Secretariat handles anything the Supreme Pontiff entrusts to it as well as matters of ordinary business which do not fall within the competence of the departments of the Roman Curia. It fosters relations with these departments, with the Bishops, with the Legates of the Holy See, with civil governments and their representatives, and with private persons but without prejudice to the Council for the Public Affairs of the Church and, as occasion requires, in accord with it.

Substitute: Most Rev. Giovanni Benelli, Tit. Archbishop of Tusuro

Office: Palazzo Apostolico Vaticano, Vatican City, Europe.

It also handles subjects submitted to its examination by the Holy Father, particularly where there is some connection with civil law. The Council fosters diplomatic relations with nations and has charge of nunciatures, internunciatures and apostolic delegations, jointly with the Secretariat of State.

II. THE SACRED CONGREGATIONS

Office: 34 Via della Conciliazione, 00193, Rome, Italy

THE SACRED CONGREGATION FOR THE DOCTRINE OF THE FAITH

The Sacred Congregation for the Doctrine of the Faith has the task of safeguarding doctrine on faith and morals throughout the entire Catholic world. It examines all questions which touch faith and morals or are connected with the faith itself. It also examines new doctrines and opinions and promotes study on these matters. This Sacred Congregation reproves doctrines opposed to the principles of the faith after the interested Bishops of a region have been heard. It studies the books referred to it and, if necessary, reproves them after the author has been heard and has had an opportunity to defend himself and after the Ordinary has been forewarned. It also examines all that concerns "the privilege of the faith" both in law and in fact. It is competent to pass judgment on errors about the faith according to the norms of an ordinary process. It safeguards the dignity of the sacrament of Penance. The Sacred Congregation proceeds administratively or judicially according to the nature of the question to be treated.

Cardinal Prefect: Franjo Cardinal Seper

Secretary: Most Rev. Jerome Hamer, O.P., Tit. Archbishop of Lorium

Office: 11 Piazza del S. Uffizio, Rome, Italy

It treats all questions which pertain either to persons, or to discipline, or to the rites of the Oriental Churches, even if they are mixed in that by the nature of the thing or of persons they involve Latins. Territories in which a major part of the Christians belong to Oriental rites are subject only to this Congregation. Even in Latin territories it carefully supervises the faithful of Oriental rites and provides as much as possible for their spiritual needs even by the establishment of their own hierarchy if the number of faithful and circumstances require this.

Cardinal Prefect: Paul Cardinal Philippe, O.P.

Secretary: Most Rev. Mario Brini, Tit. Archbishop of Algiza

THE SACRED CONGREGATION FOR BISHOPS

In those places and for those persons not subject to the Congregation for the Oriental Churches or for the Evangelization of Peoples, the Congregation for Bishops establishes new dioceses, provinces and regions and divides, unites and realigns them after consulting the interested Episcopal Conferences and others; it erects military vicariates and, after consulting the Episcopal Conference, prelacies for special pastoral ministries for various regions or social groups. This Congregation provides also for the naming of bishops, apostolic administrators, coadjutors and auxiliaries of bishops, military and other vicars and prelates enjoying personal jurisdiction.

It is competent for all things that have to do with bishops and publishes norms which, through the Episcopal Conference, provide for the more urgent needs of the faithful.

Office: 10 Piazza Pio XII, Rome, Italy

National Conference of Catholic Bishops

Address—*1312 Massachusetts avenue, N.W., Washington, D. C., 20005.* ✆ 202-659-6600.

The National Conference of Catholic Bishops (NCCB) is a canonical entity operating in accordance with the Conciliar Decree, *Christus Dominus*. Its purpose is to foster the Church's mission to mankind by providing the Bishops of this country with an opportunity to exchange views and insights of prudence and experience and to exercise in a joint manner their pastoral office. The NCCB is the successor to the Annual Meeting of the Bishops of the United States, approved in the brief "Communes" issued by Pope Benedict XV, April 10, 1919 and in a special letter of Pius XI issued on August 10, 1927. The present NCCB statutes with some slight amendment are those originally approved by the Sacred Consistorial Congregation in a decree issued on June 22, 1922.

The National Conference of Catholic Bishops is composed of every Bishop, residential or titular, who serves or has served the Church in the United States, its territories or possessions. Each Bishop has an active and passive voice in the Conference. Under certain conditions, enunciated in conciliar legislation, the National Conference of Catholic Bishops can initiate actions that are juridically binding on all the bishops of the country.

The National Conference of Catholic Bishops is presided over by a president who is elected by the general membership. Other officers of the organization are a vice president, secretary, treasurer and general secretary. The organization functions through thirty-two different bishops' committees. The National Conference of Catholic Bishops is a distinct entity from the United States Catholic Conference. Its relationship to the USCC is that of a sponsoring organization.

Catholic Relief Services-United States Catholic Conference, Inc. is the official overseas relief and development agency of the American hierarchy. It was established in 1943 as War Relief Services-NCWC to administer a program of assistance to victims of World War II. Since then, it has grown to be the largest organization of its kind. Its programs in the year ending June 30, 1976 alone reached over 80 countries and were valued at $256.7 million.

Although separately incorporated, the officers and Board of the United States Catholic Conference also serve as the Board of Trustees of the Catholic Relief Services-USCC.

While, in 1976, support for the CRS-USCC program came from over 90 organizations in 20 countries, its basic source of funds is the annual collection in the churches which takes place in most dioceses throughout the U.S. on the fourth Sunday of Lent. This collection, promoted in recent years under the name of the American Catholic Overseas Aid Fund Appeal, annually replenishes the Bishops Welfare, Emergency and Relief Fund, from which the basic operational funds of CRS-USCC are derived. In addition, a family sacrifice and almsgiving program entitled Operation Rice Bowl provided $5 million during Lent in 1976. 25% of these funds stay in the local parishes for the hungry poor and 75% are provided to CRS for its feeding and development projects. This program will be repeated during 1977 in most of the Catholic Dioceses.

Although primarily known because of its prompt and effective disaster relief efforts, a dominant part of the CRS-USCC program is involved in developmental efforts. During the 1976 report year, 1,025 such socio-economic developmental projects with a capital value of $39 million were sponsored by, or conducted under the auspices of, CRS-USCC.

CRS-USCC also conducts the annual Bishops Thanksgiving Clothing Collection for the needy overseas.

CRS-USCC world headquarters are at 1011 First avenue, New York, N. Y., 10022. Most Rev. EDWIN B. BRODERICK is Executive Director. Rev. Msgr. ANDREW P. LANDI, Assistant Executive Director.

National Catholic Community Service—The Archbishops and Bishops of the Catholic Church in the United States at their 1940 annual meeting organized the National Catholic Community Service and designated it as the official Catholic agency to aid in serving the religious, spiritual, social, recreational and welfare needs of members of the Armed Forces and civilians engaged in defense industries. In 1947 NCCS was designated by the Archbishops and Bishops as the agency to coordinate the efforts of Catholic groups and individuals to aid in serving the spiritual, religious and social needs of patients confined to Veterans Administration Hospitals. Officers of the Administrative Board of U.S.C.C., together with the Military Vicar and three other members of the Administrative Board form the Board of Trustees of NCCS. Most Rev. JAMES S. RAUSCH is secretary of the Board of Trustees. MARVIN E. CARDOZA is Chairman of an Executive Committee composed of ten members. The Executive Director is Miss ALICE COLLINS. NCCS is one of the member agencies of the United Service Organizations. The NCCS assists in the management of USO or USO-type clubs for servicemen and women throughout the world. Members of the Executive Committee serve on the USO Board of Governors & the Chairman is a Vice-President of USO. The NCCS has representatives on Veterans Administration Voluntary Service Advisory Committees in 160 Veterans Administration Hospitals.

The National Federation of Priests' Councils

The federation was organized in 1968 to promote priestly brotherhood by facilitating communication among priests' councils, to provide a forum for the discussion of pastoral matters, to enable priests' councils to speak with a common, representative voice, to promote and collaborate in programs of pastoral research and action, to implement norms for the renewal of priestly life, and to provide means for nationally united priests' councils to cooperate with other Church groups to address the Church's needs.

NFPC now represents 130 priests' councils, mostly senates but also grass-roots associations and religious congregations, in 45 of the 48 domestic states.

Elected delegates of the 130 councils meet annually to set policy, and 28 provincial representatives plus one from the religious congregations meet quarterly to carry them out. Eight standing committees facilitate this work. A full-time staff of eight, including a president elected by the House of Delegates, works out of the Chicago office.

Publications: The federation publishes books, pamphlets and studies concerned with various aspects of ministry, ministerial priesthood and spiritual renewal of priests. Its official publication, *Priests-USA,* is a tabloid newspaper appearing 12 times a year. *The National Interest* is a quarterly newsletter directed to assist justice and peace committees of local priests' councils.
